

**2023 AAEP Annual Convention  
Scientific Education  
Exclusive Sponsorship Package**

*“How to Use Ultrasonography for Internal Medicine Cases”  
Saturday, December 2 (afternoon)*

*San Diego Convention Center  
San Diego, California*

EXHIBIT “A”

**OVERVIEW OF SPONSORSHIP**

Thousands of equine practitioners will catch the wave when the AAEP’s 69<sup>th</sup> Annual Convention returns to sunny San Diego for the first time in 15 years. The annual convention has long been a hallmark of practical, evidence-based education, and you can be a part of this year’s event as the exclusive sponsor of this educational session that will help practitioners accurately diagnose the often complex diseases that may affect multiple body systems.

The content of this session has been selected to support the continued implementation of AAEP’s mission statement: *“To improve the health and welfare of the horse, to further the professional development of its members, and to provide resources and leadership for the benefit of the equine industry.”*

Supporting a Scientific Education session enables the sponsoring company to align itself with the quality of expert information that characterizes the session, offers many exposure opportunities and, most importantly, further develops the company’s relationship with the AAEP and its more than 9,000 veterinarian and student members worldwide.
